

Banana Boats

Prep Time: 5 minutes

Cook Time: 10 minutes

Ingredients

Bananas

Chocolate chips, butterscotch,
peanut butter chips, mini
marshmallows, sweetened
coconut

Any other toppings you fancy

Preparation

1. Choose your bananas.
2. Slit the bananas lengthwise.
3. Stuff them with any combination of toppings you desire. I am a big fan of dark chocolate and butterscotch.
4. Wrap the bananas in foil and place on the grill. Grill with the cover on until toppings get melty and delicious.
5. Eat with a spoon. (Insanely good over ice cream).
